Some guys oh there really something
Always actin like there so hot
And you, you don't seem any different
I keep wishing but I guess your not

You Wanna What?
I don't think so
I don't waste my time on guys like that
You might be tough but that's not enough to make you
mine
You Wanna what?

Those eyes ooh I see right through them
The way you stare gives you away
Don't even go there ooh you just don't get it
Real love can't be that way

You Wanna What?
I don't think so
I don't waste my time on guys like that

You might be tough but that's not enough to make you
mine
You Wanna what?

Ooh don't you think you oughta be afraid?
oooh hate to tell you I dont play that game

You Wanna What?
I don't think so
I don't waste my time on guys like that
You might be tough but that's not enough to make you
mine
You Wanna what?
I don't think so
I don't waste my time on guys like that
You might be tough but that's not enough to make it
last
You wanna what?

Yeah...
