You're used to the sound of a heart that's breaking  
I know it don't phase you anymore  
You're the king of the game that you're playing  
I know you played it a hundred times before  
You fill your bedroom up with trophies  
Then you get a kick out of closing the door  
Got all the words to keep on hoping,  
I know you said them 100 times before.

But then there's me, a fox for your gun  
Then there's me, just love me for fun  
Baby, there's me no use in pretending  
Oh there's me.....101

I might as well stand in front of a bullet  
Close my eyes and kick the chair to the floor  
It's like a speeding train is coming,  
I know you've crashed it 100 times before

So then there's me, a fox for your gun  
Darling there's me, just love me for fun  
Ooooo there's me no, no use in pretending  
Oh there's me.....101

Everybody says I gotta be crazy  
That I deserve everything that I get  
But I got a feeling that makes me wanna ignore.....  
All that you've done.... 100 Times before

Cause then there's me, could I be the one  
And baby there's me to make you undone  
Uh darling there's me no use...., no use in  
pretending  
Oh there's me, 101

Me, me, 101  
So I gotta be, I gotta be, I gotta be 101  
Maybe it's time, maybe it's me  
Maybe I could be, let me pretend  
I gotta be...., I wanna be....101,  
Yeah Baby  
Yeah baby
