She's just a girl and she's on fire  
Hotter than a fantasy, lonely like a highway  
She's living in a world and it's on fire  
Feeling with catastrophe, but she knows she can fly  
away  
Ohhhh oh oh oh oh  
She got both feet on the ground  
And she's burning it down  
Ohhhh oh oh oh oh She got her head in the clouds  
And she's not backing down

This girl is on fire...  
This girl is on fire...  
She's walking on fire...  
This girl is on fire...

Looks like a girl, but she's a flame  
So bright, she can burn your eyes  
Better look the other way  
You can try but you'll never forget her name  
She's on top of the world  
Hottest of the hottest girls say

Ohhhh oh oh oh  
We got our feet on the ground  
And we're burning it down  
Ohhhh oh oh oh oh  
Got our head in the clouds  
And we're not coming down

This girl is on fire...  
This girl is on fire...  
She's walking on fire...  
This girl is on fire...

Everybody stares, as she goes by  
'Cause they can see the flame that's in her eyes  
Watch her when she's lighting up the night  
Nobody knows that she's a lonely girl  
And it's a lonely world  
But she gon' let it burn, baby, burn, baby

This girl is on fire...  
This girl is on fire...  
She's walking on fire...  
This girl is on fire...

Oh, oh, oh, oh ohhhhh oh oh oh ohhh oh oh oh ohhh...  
[4x]

She's just a girl and she's on fire
