### "Almost There"

Three, four!  
Yeah  
You know, we're so close  
See, I can taste it  
I know all our dreams  
We can taste it  
We almost there

Come on, say!  
Uh! Yeah!  
Come on, say!  
Uh! Yeah!  
Three, four!

Just one more step  
Come on, baby, yeah  
'Cus we're al-, almost there, uhuh

No matter how hard  
The task may seem  
Don't give up our plans  
Don't give up our dreams  
No broken bridges  
Will turn us around  
'Cus what we're searching for  
Will soon be found

'Cus we're al-, almost there  
Just one more step  
Just one more step, uh  
Don't give up!  
We're al-, almost there

Look at the lonely lovers  
That didn't make it  
Love's long hard climb  
They just couldn't take it  
Don't let it happen  
To me and you  
Just hold together, darling

We'll make it through

Darling, keep on reaching out for me  
Keep on reaching  
Do it for me  
Do it for me  
Do it, baby

'Cus we're almost there  
Just one more step  
Just one more step  
Don't you dare  
Don't give up  
Give up, keep on  
We're al-, almost there

We're so close  
I can taste it  
I... so sweet  
Can't afford to waste it  
If you feel your hands  
Slipping from mine  
Just hold on tighter, darling  
Keep on trying  
Baby, do it for me  
Do it, do it, do it, baby

Just one more step  
Don't give up  
Just one more step  
Baby, baby, don't give up  
Keep on, keep on  
Just one more step  
And we're almost there  
Yeah!

I know it hasn't really been easy  
But nothing worth the wait ever is  
And all our dreams can be ours  
I'm telling you we almost there  
Hahaha  
I'm telling you we almost there
