(Feat. Jack White)

Another ringer with the slick trigger finger
For Her Majesty
Another one with the golden tongue
Poisoning your fantasy
Another bill from a killer
Turned a thriller to a tragedy

[Chorus]

A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Oh, someone that you think that you can trust
Is just
Another way to die

Another tricky little gun
Giving silence to the one
That will never see the sunshine
Another inch of your life sacrificed for your brother,
In the nick of time
Another dirty money "heaven sent honey",
Turning on a dime

[Chorus]

Well, a door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think that you can trust
Is just
Another way to die

(It's just another)
Hey! Another way to die!
(Another way to die...)

Shoot 'em, bang bang!
Oh oh oh oh oh oh!
Oh oh oh oh oh oh!
Oh oh oh oh oh oh!
Oh oh oh oh oh oh...

Another girl with her finger
On the world singing to
you what you wanna hear?
Another gun thrown down and surrendered
Took away your fear
Hey!
Another man that stands right behind you
Looking in the mirror

[Chorus]
Oh, a door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think that you can trust
Is just
Another way to die

It's another way!
Shoot 'em up, bang bang!
Hey! Hey! Hey! Hey!
(Another way, another way...)
Yeah!
(Another way, another way...)
Bang bang bang bang!
