My father, my son
He understands just what I am
He's my man

I'm here to show ya
Nuttin' but love for ya
Let a sista glow you
My brotha, brotha, brotha, brotha

He's my support system, he likes his soul sista
And I can't live without him
I love his lips his kiss his touch and his smile

That love is legendary, his love is necessary
I want him with me daily
I just want the world to know, about my

Black brotha, strong brotha

Clap your hands, clap your hands for ya brotha, brotha

Hustler, caged by the world so he live wild

And look but don't touch until I resign and

Everything I need in him, I fiend for him
Fights the heavy knight, see the way I adore him
He never go nowhere without her, he gotta keep her
