Used to dream of being a millionaire, without a care  
But if I'm seeing my dreams and you aren't there  
'Cause it's over, that just won't be fair

Darling, rather be a poor woman living on the street, no  
food to eat  
'Cause I don't want no pie if I have to cry  
'Cause it's over when you said goodbye

All at once  
I had it all  
But it doesn't mean anything  
Now that you're gone

From above  
Seems I had it all  
But it doesn't mean anything  
Since you're gone

Now I see myself through different eyes, it's no  
surprise  
Being alone will make you realize  
When it's over, all in love is fair

I shoulda been there  
I shoulda been there  
I shoulda, shoulda  
All at once  
I had it all  
But it doesn't mean anything  
Now that you're gone

From above  
Seems I had it all  
But it doesn't mean anything  
Since you're gone

I know I pushed you away, what can I do that would  
Save our love  
Take these material things, they don't mean nothing  
It's you that I want

All at once  
I had it all  
But it doesn't mean anything  
Now that you're gone

From above  
Seems I had it all  
But it doesn't mean anything  
Since you're gone

I shoulda been there  
I shoulda been there  
I shoulda, shoulda

All at once  
I had it all  
But it doesn't mean anything  
Now that you're gone

From above  
Seems I had it all  
But it doesn't mean anything  
Since you're gone
