[Rampage]
You was with me ma when I first copped my deal
Bought you the 5 karats plus the house on the hill
The blue escalade with them new chrome-e wheels
You told me the other day I don't know how you feel
Its been 5 months, I been driving you crazy
You told your friend the other day you was havin my
baby
Sayin I'm acting funny, Ramp I'm so crazy
All you wanna do is be my number one lady
Fallin Fallin

[Alicia Keys (Busta Rhymes)]
I keep fallin, in and out, love with you
Sometimes I love you, some, times I'm blue
Sometimes I glow inside, other times you made me cry
Tell me what, am I to do, I'm so confused

[Chorus]
Tell me who, tell me what, tell me when
Tell me when, tell me how, how..
Tell me who, tell me what, tell me when
Tell me when, tell me why, I keep on fallin
In and out of love, with-a you,
