(Murder inc rugh riders)

I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you baby

Need you to understand me daddy
I ain't your average
Baby girl doing it dog
I'm well established
I ain't trying to lead you
Just wanna ask if you
Might wanna give me your name
Explain your status
You know I see you time to time
You seem available
Don't mean shit
I know these bitches wanna settle you
gotta say you on my short list of few
Them other dudes is okay
But I'm feeling you
Want you in the best way
Whatchu gonna do about it
Why don't you just test me
You won't wanna do without it
Now I'm comin at ya hard meeting a thug
an' I aint givin up till
I get that gangsta love (Gangsta Love)

I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you

I know you seen me this night that night
Always my shit tight
Hair done outfit crazy
Skirt fit just right

Wife beater with a banging tan
Walk in demanding all eyes
Baby here I am
ain't ashamed of my frame and I know you watching
Putting on a show for you poppin I ain't stopping
A lot of action in your corner
Yeah you on it to
Only thing that make it better though
Is me with you
And I know you feeling that
Regardless of your frontin
And I heard through the streets
it was me you wanting
Let me find out you shy uh huh
But I know you're not
So stop the games
Your approach says your really not

I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you

Okay numbers exchanged
Now it's in play
Shouldn't a took you so long in the first place
I'm just playing cutie
Yeah give me a call
Naw it's cool
You don't gotta see me to mah car
See I'm a big girl
But you'll find out
strut for me while I drop top and ride out
Wheels spinning
Wanna know what shortys all about
But it's cool I'm drooling
And these words just comin out my mouth

It's that gangsta lovin
That just got me buggin
It's that gangsta lovin
That just got me buggin

I just wanna rock you
All night long (Oh)
I wanna rock you
I just wanna rock you
All night long (Oh)
I wanna rock you

I wanna rock you baby
I wanna hold you baby
Won't you be my baby
I wanna be your lady

I wanna rock you baby
I wanna hold you baby
Won't you be my baby
I wanna be your lady

Baby let me rock with you
You know I want to rock with you
Baby let me rock with you
You know I want to rock with you
Baby let me rock with you
You know I want to rock with you
Baby let me rock with you
You know I want to rock with you

It's gangsta gangsta love (oh)
You know I wanna rock with you
Baby let me rock with you
