[Nicki Minaj]

Spirit of Marilyn calling me, audibly  
Bawling she, said that she would never leave  
Continued to torture me  
Telling me to come with her  
Underneath my comforter  
And she brought a gun with her  
Pills and some rum with her  
Tip me on the balcony telling me to jump with her  
Yeah I ain't m in the ghost but I ain't doing stunts  
with her  
I ain't tryna be that haters wanna see that  
But I got 'em aggy cause I win the gold like Gabby

[Alicia Keys]

She's just a girl and she's on fire  
Hotter than a fantasy, lonely like a highway  
She's living in a world and it's on fire  
Feelin' the catastrophe, but she knows she can find her  
way

Oh, she got both feet on the ground  
And she's burning it down  
Oh, she got her head in the clouds  
And she's not backing down

[Chorus]

This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire

[Alicia Keys]

Looks like a girl but she's a flame  
So bright she can burn your eyes  
Better look the other way  
You can try but you'll never forget her name  
She's on top of the world  
Hottest of the hottest girls

Say Oh!, we got our feet on the ground  
And we're burning it down

Oh, got our head in the clouds  
And weâ€™re not coming down

[Chorus]  
This girl is on fire  
This girl is on fire  
Sheâ€™s walking on fire  
This girl is on fire

[Alicia Keys]  
Everybody stares as she goes by  
Cause they can see the flame thatâ€™s in her eyes  
Watch her when sheâ€™s lighting up the night  
Nobody knows that sheâ€™s a lonely girl  
And itâ€™s a lonely world  
But she gonâ€™ let it burn baby burn baby

[Nicki Minaj]  
Dear God, If you hear, God?  
Make the fire disappear when they see her, God  
Take away my fear when they interfere. God  
Do you fear God? Cause I fear God  
And in my backyard, thatâ€™s a deer, God  
And thatâ€™s a horse ranch  
And to my core fans keep repping me  
Do it to the death of me  
X in the box cause ainâ€™t nobody checking me

[Chorus]  
This girl is on fire  
This girl is on fire  
Sheâ€™s walking on fire  
This girl is on fire

Oh, oh, ohâ€¦

Sheâ€™s just a girl, and sheâ€™s on fire
