(Nicki Minaj)

Spirit of Marilyn calling me, audibly  
Bawling she, said that she would never leave  
Continued to torture me  
Telling me to come with her  
Underneath my comforter  
And she brought a gun with her  
Pills and some rum with her  
Took me on the balcony telling me to jump with her  
Yeah Iâ€™m in the ghost but I ainâ€™t doing stunts with her  
I ainâ€™t tryna be that haters wanna see that  
But I got â€™em aggy cause I win the gold like Gabby

(Alicia Keys)

She's just a girl, and she's on fire  
Hotter than a fantasy, longer like a highway  
She's living in a world, and it's on fire  
Feeling the catastrophe, but she knows she can fly  
away

Oh, she got both feet on the ground  
And she's burning it down  
Oh, she got her head in the clouds  
And she's not backing down

This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire

Looks like a girl, but she's a flame  
So bright, she can burn your eyes  
Better look the other way  
You can try but you'll never forget her name  
She's on top of the world  
Hottest of the hottest girls say

Oh, we got our feet on the ground  
And we're burning it down  
Oh, got our head in the clouds  
And we're not coming down

This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire

Everybody stands, as she goes by  
Cause they can see the flame that's in her eyes  
Watch her when she's lighting up the night  
Nobody knows that she's a lonely girl  
And it's a lonely world  
But she gon' let it burn, baby, burn, baby

(Nicki Minaj)

Dear God, If you're here God  
Make the fire disappear when they stare God  
Take away my fear when they interfere God  
Do you fear God? Cause I fear God  
And in my backyard, that's a deer, God  
And that's a horse ranch  
And to my core fans keep repping me  
Do it to the death of me  
X in the box cause ain't nobody checking me

(Alicia Keys)

This girl is on fire  
This girl is on fire  
She's walking on fire  
This girl is on fire

Oh, oh, oh...

She's just a girl, and she's on fire
