Going to lose without by Alicia Keys  
I'm up against the beautiful me  
In my mirror  
When I still have my mind crazy  
In my mirror  
Cause I feel 's like my free game  
Without it I can't exist  
Or just halflife

But the world is spinnin'  
Can't you kiss some widin'  
So tell me, what's happen when I'm stoped?

(Refrain)  
PLEASE tell me am I so very bad?  
I'm losin' my mind  
Losin' my voice  
Cause the time hungry  
It eat my wings  
How can I do without their?  
I'm just going to lose

Today my last breathe away  
In my mirror  
But somewhere I will deny my life  
In my mirror  
Tell me beautiful me, why can't I fly?  
I'm not a winner  
Just losin' girl  
Without it I can't exist  
Or just half life

But the world is spinnin'  
Can't you kiss some widin'  
So tell me, what's happen when I'm stoped?

(au Refrain)
