They're Dashing and daring,  
Courageous and caring,  
Faithful and friendly,  
With stories to share.  
They march through the forest,  
They sing out in chorus,  
Marching along,  
As their song fills the air.

CHORUS:

Gummi Bears,  
Bouncing here and there and everywhere.  
High adventure that's beyond compare,  
They are the Gummi Bears.

Well, Magic and mystery,  
Are part of their history,  
Along with the secret,  
Of gummiberry juice.  
Their legend is growing,  
They take pride in knowing,  
They'll do what is right,  
With whatever they do.

CHORUS

Well, my girl, dolores  
she march through the forest  
she takes one of each  
and sticks it down her pants?  
i like the red ones  
and i like the yellow ones  
we bite off their head  
and we give them to our friends

CHORUS

Gummi Bears,  
When a friend's in danger they'll be there,  
Lives and legends that we all can share,  
They are the Gummi Bears,

They are the Gummi Bears,  
They are the Gummi Bears!
