When he comes around

Inside my chest  
It's like I'm going into cardiac arrest

Chorus:  
Adrenaline rushing in my body  
Over powered I just can't fight it.  
Doesn't matter how I keep on trying  
I can't deny I've got this heartburn  
Burning in my soul (heart burn)  
Call the fire department (oh ,heartburn)  
It's out of control (heartburn)
