

Alicia Keys "How It Feels To Fly"

Visit "[How It Feels To Fly](#)" on MotoLyrics.com

Have you ever felt so strong
That it made you feel weak
Long days, long nights
And you just can't sleep

Have you ever been so sure
That it gave you cold feet
Gotcha floating on air
You can feel your heart beat

Well, I never knew
This feeling ever
Now I hope it stays
And lasts forever

I am riding high
Don't wanna come down
Hope my wings don't fail me now
If I can touch the sky
I risk the fall
Just to know how it feels to fly

Yeah, yeah, yeah
Say yeah, yeah, yeah
Yeah, yeah, yeah
Say yeah, yeah, yeah
Yeah

Have you ever felt so lost
But didn't know until you were found
Looking everywhere
But you finally see now

In a room full of people
It feels like no one's around
Gotcha head in the clouds
And your feet are off the ground

Say I never knew
This feeling ever
Now I hope it stays
And lasts forever

I am riding high
Don't wanna come down
Hope my wings don't fail me now
If I can touch the sky
I risk the fall
Just to know how it feels to fly

Yeah, yeah, yeah
Say yeah, yeah, yeah
Yeah, yeah, yeah
Say yeah, yeah, yeah
We get to go
Forever

Fly
Higher
Fly
Higher
Fly
Higher

I am riding high
Don't wanna come down
Hope my wings don't fail me now
If I can touch the sky
I risk the fall
Just to know how it feels to fly

I am riding high
Don't wanna come down
Hope my wings don't fail me now
If I can touch the sky
I risk the fall
Just to know how it feels to fly

Yeah, yeah, yeah
Forever
