You know....You know you may think, that, that you
know you got me under
wraps...locks and keys....and that without you I
just.....I'm gonna be lost.....But I
got something else for you

Baby I used to sit home, waiting on your call
I used to have your picture hanging on my wall
Used to think you were right, but you was wrong
I used to miss you, now I'm glad that you're gone

Baby, I don't care if you don't wanna call me no
morrre
Baby I don't care if you don't wanna call me no more

Cause I'm the Juiciest baaaby girl around
And I got 999 men knockin down my door
Cause I'm the Juiciest Baby Girl Around (baby girl baby
girl)
And I don't care if you don't call no more

We used to light a fire on a rainy night
I used to like it when you'd come and hold me tight
I used to believe we would never part
But now I've had a change of heart

Baby I don't care if you don't wanna call me no more
Baby I don't care if you don't wanna call me no more

Cause I'm the Juiciest baby girl around (baby girl baby
girl)
And I got 999 men knockin down my door (cause they
gotta have sweet knocks)
Cause I'm the Juiciest Baby Girl Around (baby)
And I don't care if you don't call no more

Cause I'm the Juiciest baby girl around (Juicy)
And I got 999 men knockin down my door
Cause I'm the Juiciest Baby Girl Around (and all my
peoples that's juicy I
want you to say yeah)
And I don't care if you don't call no more

Cause I'm the Juiciest baby girl around
And I got 999 men knockin down my door
Cause I'm the Juiciest Baby Girl Around
And I don't care if you don't call no more

Baby I don't care if you don't wanna call me no more
Baby I don't care if you don't wanna call me no more
