Na na na na noooo  
No noooo noooo  
Na na na na noooo  
No noooo noooo

The sand loves when..the waves come  
The sky can't wait...for the light of the sun  
So how could you...look me in my eye  
And not see what what i feel inside  
Tell me how could youuuu... doubt the fact that I  
I love you...  
I love you

Don't you ever...think like that.  
Don't you ever...never do that?  
There will never be two things...that go together better  
Than you and me....

North needs south east needs west...  
No needs yes yes yes  
Up needs down life needs death...  
No needs yes yes yes

I need you  
I need you  
I need you  
You...I need you  
No noooo noooo

So how could you...look me in my eye

And not see what what i feel inside  
Tell me how could youuuu... doubt the fact that I  
I love you...  
I love you

Don't you ever...think like that.  
Don't you ever...never do that?  
There will never be two things...that go together better  
Than you and me....

North needs south east needs west...

No needs yes yes yessss  
Up needs down life needs death...  
No needs yes yes yessss

I need you  
Oh baby I need you  
No noooo noooo  
Everyday..I need you  
Na na na na noooo  
You...I need you  
No noooo noooo  
Hey hey Heyyyy  
I need youuu  
No noooo noooo  
Hey hey heyyyyy  
Like the desert needs the rain  
Like joy needs pain
