(piano and mmmm'â, -â,, çs)

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things define
what'â, -â,, çs within
And I bet everyone that'â, -â,, çs life'â, -â,, çs a bore, so
full of the superficial

Chorus:

Some people want it all, but I don'â, -â,, çt want nothing
at all
If it aint you baby, if I aint got you baby
Some people want diamond rings, some just want
everything
But everything means nothing if I aint got you, yeah

Some people search for a fountain
The promise is forever young
(You know) Some people need 3 dozen roses
And that'â, -â,, çs the only way to prove you love them
Hand me the world on a silver platter
And just what would it be?
No one to share with no one who truly cares for me

Chorus:

Some people want it all, but I don'â, -â,, çt want nothing
at all
If it aint you baby, if I aint got you baby
Some people want diamond rings, some just want
everything
But everything means nothing if I aint got you, you, you
Some people want it all, but I don'â, -â,, çt want nothing
at all
If it aint you baby, if I aint got you baby
Some people want diamond rings, some just want
everything
But everything means nothing if I aint got you, yeah

If aint got you with me baby, ohh, ooo
Say nothing in this world don't mean a thing
If I aint got you with me baby
