[Alicia Keys:]

[Mos Def:]

Yes yes yes...

Uh, a yes yes y'all (freak freak y'all)

A-freak freak y'all!

Freak freak y'all - fifteen!

(Ohh!) A yes yes y'all

[Put them hands in the air, y'all!]

[Yo, now put them hands in the air y'all]

Waddup, Brook-LYYYYYYYYYYYYYYN!!

[Common:]

And just clap your hands y'all

A freak freak y'all - and ya don't stop

A to the beat y'all - and ya don't stop

A freak freak y'all - and ya don't stop

A to the beat (y'allllllllllllll!!!)

[Common:]

Yo, mad love for the culture

Since the days of Adidas and hip-hop posters

Now I host with Mos and just to boast to brag

a bit about it, 'cause I cain't live without it

Seen her on the streets when I was like ten

Especially's of a lagged and young black man

Do backspins in backyards cause we rap harder

People that lack [?], now we black stars

Gift from God - they said we must be crazy

Now they sayin Common, Nasir, and Jay-Z

Leaders of tomorrow, follow the steps of

Africans rap in the ghettos makin it spressed up

Yo we bring the light, we do it tonight

Alicia Keys and Mos Def bring it right

We come down and bam, and rock who I am

Com Sense, yo
