Oooooohh New York x2

Grew up in a town that is famous as the place of movie scenes

Noise was always loud, there are sirens all around and the streets are mean

If I can make it here, I can make it anywhere, that's what they say

Seeing my face in lights or my name on marquees found down on Broadway

Even if it ain't all it seems, I got a pocketful of dreams

Baby, I'm from New York

Concrete jungle where dreams are made of

There's nothing you can't do

Now you're in New York

These streets will make you feel brand new

Big lights will inspire you

Hear it for New York, New York, New York!

On the avenue, there ain't never a curfew, ladies work so hard

Such a melting pot, on the corner selling rock, preachers pray to God

Hail a gypsy-cab, takes me down from Harlem to the Brooklyn Bridge

Some will sleep tonight with a hunger far more than an empty fridge

I'm gonna make it by any means, I got a pocketful of dreams

Baby, I'm from New York

Concrete jungle where dreams are made of

There's nothing you can't do

Now you're in New York

These street will make you feel brand new

Big lights will inspire you

Hear it for New York, New York, New York!

One hand in the air for the big city,

Street lights, big dreams all looking pretty

No place in the world that can compare
Put your lighters in the air, everybody say yeah, yeah,
yeah, yeah

In New York
Concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York
These street will make you feel brand new
Big lights will inspire you
Hear it for New York!
