Beautiful garden where have you gone  
My self-delusions are leaving me in the storm  
Taking for granted all the goodness that I've found  
Somewhere I lost all, the control came crashing down

And I pray for forgiveness, look for the answers  
Cuz it's hard for me to pretend  
Look to my mother, call to the captain  
Can't you see this state that I'm in  
And no one would know this, nobody noticed  
Cuz it's me where it begins

Beautiful morning please don't wake me from my sleep  
Cuz I need some comfort to regain my sanity  
And I don't wanna feel this crazy, I don't wanna feel  
discarded  
Shattered into million pieces

I'm so brokenhearted  
Nowhere left to run  
Nowhere left to go  
So I hope

And I pray for forgiveness, look for the answers

Cuz it's hard for me to pretend  
Look to my mother, call to the captain  
Can't you see this state that I'm in  
And no one would know this, nobody noticed  
That it's me where it begins  
And I pray for forgiveness within

I swear that everyday I feel like my mind is haunting  
me  
I think of every little stupid mistake that has been made  
This time I don't have the strength to gather myself  
And I'm falling to pieces

And I pray for forgiveness, look for the answers  
Cuz it's hard for me to pretend  
Look to my mother, call to the captain  
Can't you see this state that I'm in

I pray for forgiveness, looking for justice  
Searching for answers, call to my mother  
Pray for forgiveness, breaking the silence  
And nobody knows this, nobody noticed  
That it's me where it begins
