(by Bob Marley)

Old pirates yes they rob I
Sold I to the merchant ships
Minutes after they took I
From the bottomless pit
But my hand was made strong
By the hand of the almighty
We forward in this generation
Triumphantly
All I ever had, is songs of freedom
Won't you help to sing, these songs of freedom
Cause all I ever had, redemption songs
Redemption songs
Emancipate yourselves from mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
Cause none of them can stop the time
How long shall they kill our prophets
While we stand aside and look
Some say it's just a part of it
We've got to fullfill the book

Won't you help to sing, these songs of freedom
Cause all I ever had, redemption songs
Redemption songs, redemption songs

Emancipate yourselves from mental slavery
None but oursekves can free our minds
Have no fear for atomic energy
Cause none of them can stop the time
How long shall they kill our prophets
While we stand aside and look
Yes some say it's just a part of it
We've got to fullfill the book

Won't you help to sing, these songs of freedom
Cause all I ever had, redemption songs
All I ever had, redemption songs
These songs of freedom, songs of freedom

+ Alicia sings in the end:

We've got to stand up
To get up
And be strong
We've got to pray
We've got to pray
For the healing
So we can start all over again
