It would be
It would be, it would be so simple
What it is ain't what it was
What should it be when it comes to you?
And how it seems ain't how it is
There's been a change when it comes to me, yeah

Oh baby you, oh baby me, oh maybe we
Can try another day, another way
All in my mind I'm wondering why
We cannot find, what was left at the beginning

If I could
Need you again
Kiss you again
Kiss you again
It would be, it would be so simple
'Cause I would love you again
Hold you again
Need you again
It would be, it would be
Could it be, could it be so simple?

Now it's hardly simple
It's just simply hard
When it comes to you and
I find myself not being myself
Just to avoid all this confrontation with

Oh baby you, oh baby me, oh maybe we
Can put this armor down and settle down
Oh it's off track, that is a fact
Can we get it back, get it back to the beginning?

If I could
Need you again
Kiss you again
Kiss you again
It would be, it would be so simple
'Cause I would love you again
Hold you again
Need you again

It would be, it would be
Could it be, could it be so simple?

Don't you know that it would be?
Don't you know that it would be?
Don't you know that it would be?
It would be
It would be
It, it would be
It would be

Need you again
Kiss you again
Kiss you again
It would be, it would be so simple
'Cause I would love you again
Hold you again
Need you again
It would be, it would be
Could it be, could it be so simple?
Yeah

Yeah, we got the up rock
Do it like this, don't stop
Yeah, we got it goin' now
Now it's right on
