Hang on to the world
as it spins around
just don't let the spin
get you down
things are moving fast

Hold on tight and you will last
keep your self-respect
your only pride
get your self and you'll keep your stride
never mind your fears
Brighter days will soon be here

Take it from me, someday we'll all be free, yeah

Keep on walking tall
hold your head up high
let your dreams right up to the sky
sing your greatest song
and you'll keep growing, growing on

Take it from me, someday we'll all be free
Just wait and see someday we'll all be free
Take it from me, someday we'll all be free
It wont be long
Take it from me, someday we'll all be free
Take it from me, someday we'll all be free
