Remembering the days
When the love began
Thinking of a million ways
To escape and be with you
Our reality wasn't just you and i
It was long drawn out days and lonely nights

Dreaming about you
I keep dreaming about you
And i'm dreaming about when you would say

Let me take you to another place
Where nothing ever seems to matter
It's just you and me

We can take flight
Like a thief in the night
Stolen moments with you
Ooh

When destiny
Didn't have such a simple plan
I was just a girl
And you a young man
How could age define
Something so divine

Can this even be real
Or just exist in my mind

Dreaming about you
I keep dreaming about you
And i'm dreaming about when you would say

Let me take you to another place
Where nothing ever seems to matter
It's just you and me

We can take flight
Like a thief in the night
Stolen moments with you
Ooh

Dreaming about you
I keep dreaming about you
And i'm dreaming and waiting for the day

When noone and nothing else takes up our time
Finally you're only mine
Each and everyday i'd walk with you
Right by my side

But instead we have to hide
Sneak around and lie
Just to spend time alone

Cause loving is a crime
I'd really do the time
And leave the world behind

Let me take you to another place
Where nothing ever seems to matter
It's just you and me

We can take flight
Like a thief in the night
Stolen moments with you
Ooh

Let's get away let's get away
Ooh
We can get away we can get away
Ooh
Let's get away let's get away
Ooh
We can get away we can get away
