Yeah ,Yeah, Yeah
Yeah, Yeah, Yeah

Life is cheap, bittersweet
But it tastes good to me

Take my turn, crash and burn
That's how it's supposed to be

So don't rain on my parade
Life's too short to waste one day
I'm gonna risk it all, the freedom to fall
Yes it sure looks good to me

Time Flies by, it leaves you behind
Take it naturally

Heaven knows, oh, there's so much more
More than what they see

So don't rain on my parade
Life's too short to waste one day
I'm gonna risk it all, the freedom to fall
Yes it sure looks good to me

Hey, sure looks good to me

Yeah, yeah, yeah
Yeah, yeah, yeah

Deep in my mind I'm secure with getting by
I wanna see the light before I die
Or I lie in an empty space
The darkness comes and I been telling my soul,
And me, and myself, we turn around we're getting old
But the lighting crashing, foolish emotions
are the bruises and the beauty of this moment
That we're feelin and I feel like I'm seeing the world
inside of me
But I can tell you that I know it's gettin easier to breath

There's a cold in the morning, endless equation
of who we've become it's a complex situation

So live, love life, give love
Live, love life, give love
Live, love life, give love
Cuz who are we anyway

So don't rain on my parade
Life's too short to waste one day
I'm gonna risk it all, the freedom to fall
Yes it sure looks good to me

Hey it sure looks good to me
Im telling you it sure looks good to me
Yeah
It sure looks go to me

me, yeah

Looks good to me

hooo

Yeah, Yeah, Yeah
