Keys!

L!

When I'm alone in my room some times I stare at the
wall
And in the back of my mind I hear my conscience call
Tellin me I need a girl who's as sweet as a dove
It's like the second time around a teenage love
I won't won't won't hurt you again
This time I'm holdin you down till the end
We back bouncin again
Back seat of the jeep
Make you bounce like the 6 4 with Snoop and his
friends

[Teenage Love Affair Remix ft LL Cool J Lyrics On]

(Alicia Keys)

Nothin really matters
I don't really care
What nobody tell me
I'm gonna be here
It's a matter of extreme importance
My first teenage love affair

Can't wait to get home
Baby dial your number
Can your pick up the phone
Cuz I wanna holla
Daydreamin' bout you
All day in school
Can't concentrate
Tryna keep my cool

Cuz the lights are on outside
Wish there was somewhere to hide
I juss dont want
I juss dont want
To say goodbye

Nothin really matters
I don't really care
What nobody tell me
I'm gonna be here
It's a matter of extreme importance
My first teenage love affair

I love our secret meetings
On the 5th floor staircase
I wanna give you this letter
Of all the things I cant say
Want you to be
My first, my last, my ending and beginning (yeah)
I'll write your name in my book
Your last name my first
I'm your misses

Cuz the lights are on outside
Wish there was somewhere to hide
I juss dont want
I juss dont want
To say goodbye

(LL Cool J)

Excuse me Miss Keys your on
Uh uh on
Uh uh on
Back to basics before the Louie Vuitton
Hand in hand with matching sweatsuits on
I wrote you love letters to make you fell better
We'd spin the day together when you fightin with ya
moms
??? (sorry about this part lol)
Dont dont dont hurt me again

(Alicia)

Nothin really matters
I don't really care
What nobody tell me
I'm gonna be here
It's a matter of extreme importance
My first teenage love affair
