Even if you were a million miles away
I could still feel you in my bed
Near me, touch me, feel me

And even at the bottom of the sea
I could still hear inside my head
Telling me, touch me, feel me
And all the time, you were telling me lies

So tonight, I'm gonna find a way to make it without you
Tonight, I'm gonna find a way to make it without you
I'm gonna hold on to the times that we had
Tonight, I'm gonna find a way to make it without you

Have you ever tried sleeping with a broken heart?
Well, you could try sleeping in my bed
Lonely, own me, nobody ever shut it down like you

You wore the crown
You made my body feel heaven bound
Why don't you hold me, need me?
I thought you told me you'd never leave me
Looking in the sky, I can see your face
And then I know right where I fit in
Take me, make me, you know that I'll always be in love
with you
Right 'til the end

So tonight, I'm gonna find a way to make it without you
Tonight, I'm gonna find a way to make it without you
I'm gonna hold on to the times that we had
Tonight, I'm gonna find a way to make it without you

Anybody could've told you right from the start it's 'bout
to fall apart
So rather than hold on to a broken dream, I'll just hold
on to love
And I can find a way to make it, don't hold on too tight
I'll make it without you tonight

So tonight, I'm gonna find a way to make it without you
Tonight, I'm gonna find a way to make it without you

I'm gonna hold on to the times that we had
Tonight, I'm gonna find a way to make it without you
