We're at the crossroads, my dear
Where do we go from here?
Maybe you won't go, maybe you'll stay
Oh I know I'm gonna miss you either way
It's such a lonely road

[Chorus]

Where do we go from here?
All I can do is - follow the tracks of my tears

Oh
When I cry your name
Am I calling in vain
Ohhh
Am I waiting only to drown in pain
Oh
Don't you do it
No, said don't you leave me this way
I don't know
If I can lift my head and face another day
Ooh it's such a lonely road

[Chorus]

Where do we go from here?
All I can do is - follow the tracks of my tears

You seem not the kind of girl who's lost and looking for
direction
(Who could this be, staring at me)
When I'm looking in the mirror trying to find a
resolution
(Me too far gone, to find my way home)

[Chorus]

Where do we go from here?
All I can do is - follow the tracks of my tears

Where do we go (Maybe you won't go, maybe you'll
stay) from here?
All I can do is - follow (either way) the tracks of my
tears

Oooh Oooh Oooh (x2)
