[Verse 1]

Were at the crossroads my dear
Where do we go from here
Baby you wont go maybe youll stay
I know im going to miss you either way
Its such a lonely road

[Chorus]

Where do we go from here (We go) (All I Can Do Is)
Follow the tracks of my tears (Follow The Tracks)
(Tears)

[Verse 2]

When I cry your name
Im I calling in vain
Im I waitin' only to drown in pain
Dont you do it no dont you leave me this way
I dont know if i could lift my head in face another day
Its such a lonely road

[Chorus]

Where do we go from here (We go) (All I Can Do Is)

Follow the tracks of my tears (Follow The Tracks)
(Tears)

[Bridge]

Usually not the kind of girl whos lost and looking for
guys tell me
Who could this be staring at me
When im lookin in the mirror tryin find the resolution
Were to far gone to find our way home

Where do we go from here (We go) (All I Can Do Is)
Follow the tracks of my tears (Follow The Tracks of my
tears)

Where do we go from here (Maybe you will go maybe
youll stay) (All I Can Do Is)
Follow the tracks of my tears (Follow) (Either Way)

[x2]

Ohhh ohhh ohhh
