Wheres the fun in forever?  
Swimmin' in a sea of time.  
If we only knew begging, no end in sight.  
To feel unknown.  
Wheres the fun in forever?  
Would you love so hard?  
Would you strive to be better?  
Could we have gone this far?  
Have you ever stopped to think about how it would be,  
anyway?

Tomorrow's just a day away(X4)  
Tomorrow isn't promised, wheres the fun in forever?  
Celebrate.

Wheres the meaning in tomorrow?  
Wheres the rush?  
Wheres the aches?

Never feelin time is borrowed, cause it's all the same.  
It's kinda sad to think about how it would be thank  
goodness that

Tomorrow's just a day away(X4)  
Tomorrow isn't promised, wheres the fun in forever?  
Celebrate.

(Alicia Keys)  
Wheres the fun in forever?  
Gotta live it like your last day.  
Having songs for the moment,  
Celebrate celebrate (X5)

It's a crazy thing to think about how it would be thank  
goodness that  
Tomorrow's just a day away(X4)  
Tomorrow isn't promised, wheres the fun in forever?  
Celebrate.
