Friends we've been for so long
Now true colors are showing
Makes me wanna cry, oh yes, it does
'Cause I had to say goodbye

By now I should know
That in time things must change
So it shouldn't be so bad
So why do I feel so sad?

How can I adjust
To the way that things are going?
It's killing me slowly
Oh, I just want it to be how it used to be

'Cause I wish that I could stay
But in time things must change
So it shouldn't be so bad
So why do I feel so sad?

You cannot hide the way you feel inside I realize
Your actions speak much louder than words
So tell me why, oh

By now I should know that

That in time things must change
So it shouldn't be it shouldn't be so bad
So why do I feel so sad?

By now I should know
That in time things must change
So it shouldn't be so bad
So why do I feel so sad?

By now, by now I should know
That in time things must grow
And I had to leave you behind
So why do I feel so sad?
If it couldn't be that bad
Tell me why

By now I should know
That in time things must change
So it couldn't be so bad
So why do I feel so sad?

Why do I feel so sad?
Why do I feel so sad?

Why does it feel so bad inside
When I realize that you gotta feel it, feel so sad
