Baby, baby, baby
From the day I saw you
I really, really wanted to catch your eye

There's somethin' special 'bout you
I must really like you
'Cause not a lotta guys are worth my time

Ooo baby, baby, baby
It's gettin' kinda crazy
'Cause you are takin' over my mind

And it feels like, ooo
(But you don't know my name)
And I swear
It feels like, ooo
(But you don't know my name)
(Round and round and round we go)
(Will you ever know?)

Oh baby, baby, baby
I see us on our first date
You doin' everythin' that makes me smile

And when we had our first kiss
It happened on a Thursday
U, it set my soul on fire

Oh, baby, baby, baby
I can't wait for the first time
My imagination's runnin' wild

It feels like, ooo
(But you don't know my name)
And I swear it, baby
It feels like, ooo
(But you don't know my name)
(Round and round and round we go)
Will you ever know?

I'm sayin'
He don't even know what he's doin' to me

I've been feelin' all crazy inside
I'm feelin' like, oh

More than what I've ever done for anyone's attention
Take notice of what's in front of you 'cause did I
mention?
You about to miss a good thing

And you'll never know how good it feels to have all of
my affection
And you'll never get a chance to experience my lovin'
'Cause my lovin' feels like

Ooo
(But you don't know my name)
(Round and round and round we go)
(Will you ever know?)
And I swear it feels like, ooo
But you don't know my name
(Round and round and round we go)
(Will you ever know?)

Will you ever know it?
No, no, no
Will you ever know it?

Well I'm have to just go ahead and call this boy
Hello?
Can I speak to, to Michael?
Oh, hey how you doin'?
I feel kinda silly doin' this but uh
This is the waitress from the coffee house on thirty-
ninth from Leno
You know that one with the braids?
Yeah, well I see you on Wednesdays all the time
You come in every Wednesday on your lunch break, I
think
And you always order the special, with the hot
chocolate
My manager be trippin' about this stuff but we gotta
use water, but
I always use some milk and cream for you, 'cause
I think you kinda sweet
Anyway, you always got on some
Fly Blue suit and your cuff lings are shining all bright
So what you do?
Oh word?
Yeah that's interesting'
Look man I mean, I don't wanna waste your time but
I know girls don't usually do this
But I was wonderin' if maybe we could get together

Outside the restaurant one day?
You know 'cause I do look a little different outside my
work clothes
I mean we could just go across the street to the park
right here
Wait, hold up, my, my cell phone breakin' up, hold up
Can you hear me now?
Yeah so what day did you say?
Oh yeah, Thursday's perfect man

It feels like, ooo
(But you don't know my name)
(Round and round and round we go)
(Will you ever know?)
It's like, ooo
(But you don't know my name)
(Round and round and round we go)
(Will you ever know?)

And it feels like, ooo
But you don't know my name
(Round and round and round we go)
(Will you ever know?)
It feels like, ooo
(You don't know my name)
(Round and round and round we go)
(Will you ever know?)
