You must be some kinda miracle maker
Look what you did to my good girl behaviour
It feels like I'm on the set of a movie
Something unreal about the way that you move me

On the beat, on the beat, on the beat now
I feel the heat, feel the heat, feel the heat now
I need somebody to turn up the volume
Just need somebody to turn up the volume

Your love is so dangerous, dangerous
You can take me all the way, all night, all day
Your love is so dangerous, dangerous
Can you turn my world around, round and round
Your love is so
D A N G E R O U S

Was that just me or the earth that was shaking
I feel like touching and screaming and shouting
I think it's some kind of chain reaction
You've got me tripping on pure satisfaction

On the floor, on the floor, on the floor now
Just lock the door, lock the door, lock the door now
I need somebody to turn up the volume
Just need somebody to turn up the volume

Your love is so dangerous, dangerous
You can take me all the way, all night, all day
Your love is so dangerous, dangerous
Can you turn my world around, round and round
Your love is so
D A N G E R O U S

It feels like I'm tripping, feels like I'm tripping
The night away
It feels like I'm tripping, feels like I'm tripping
You're dangerous

Your love is so dangerous, dangerous
You can take me all the way, all night, all day

Your love is so dangerous, dangerous
Can you turn my world around, round and round
Your love is soâ€¦
D A N G E R O U S
