When other girls try and talk to me
You're all I hear and I can't escape it
It's like somebody's got you on repeat
It doesn't matter if I love or hate it

Even if my eyes find something they like
Out of all this pretty in the city at night
Got me thinking about you girl
Gotta stop and stare
Cause you here
Cause you there
Cause you're everywhere

You're like an echo, echo, echo, echo
Girl your name is on my mind
Keep on spinning all the time
Like an echo, echo, echo, in my brain
Can't stop thinking about your name
Girl you're gonna make me go insane

Your hold on me got my game in doubt
The voodoo you do got my head in the clouds
I talked to her but your name came out
I don't know what the hell is wrong with my mind

Even if my eyes find something they like
Out of all this pretty in the city at night
Got me thinking about you girl
Gotta stop and stare
Cause you here
Cause you there
Cause you're everywhere

You're like an echo, echo, echo, echo
Girl your name is on my mind
Keep on spinning all the time
Like an echo, echo, echo, in my brain
Can't stop thinking about your name
Girl you're gonna make me go insane

You're like an echo, echo, echo, echo

Girl your name is on my mind
Keep on spinning all the time
Like an echo, echo, echo, echo

Don't mind what you're doing to me
Sounding like love on repeat
Throw your hands up
Throw your hands up

Don't mind what you're doing to me
Sounding like love on repeat
Throw your hands up
Throw your hands up

Echo, echo, echo, echo
Girl your name is on my mind
Keep on spinning all the time
Like an echo, echo, echo, in my brain
Can't stop thinking about your name
Girl you're gonna make me go insane

You're like an echo, echo, echo, echo
Girl your name is on my mind
Keep on spinning all the time
Like an echo, echo, echo, in my brain
Can't stop thinking about your name
Girl you're gonna make me go insane

You're like an echo, echo, echo, echo
echo, echo, echo, echo
echo, echo, echo, echo
