I'm alive

In the club ridin' hard every weekend.
Showin' off actin' up like it never ends.
Drownin' on my trials and tribulations.
In the light through the hipe,
All the time I've been waitin' waitin'
For the sun to shine.

I'm alive, I finally feel it.
I'm alive, love's all I needed.
I'm alive, now that I've found you.
I'm alive, my time to shine through.

From Milan to Japan I've been doin' it.
Turn it on but I couldn't hide the emptiness.
Till' I came to this band I was halfdead.
Feelin' hurt, so absurd,
I know I was just waitin' waitin'
For your love to shine.

I'm alive, I finally feel it.
I'm alive, love's all I needed.
I'm alive, now that I've found you.
I'm alive, my time to shine through.

Oh oh oh oh, this is my time yeah yeah.
Oh oh oh oh, partners in crime yeah yeah.
Oh oh oh oh, I'm gonna shine yeah yeah.
Oh oh oh oh, I'm alive.

I'm alive, I finally feel it.
I'm alive, love's all I needed.
I'm alive, now that I've found you.
I'm alive, my time to shine through.

I'm alive, I finally feel it.
I'm alive, love's all I needed.
I'm alive, now that I've found you.
I'm alive, my time to shine through.
