Hey Mister DJ
Come take me for a ride
Just let the beat play
And feel the grooves fly
Until the break of dawn
On and on and on
Keep the music pumpin? all night

(I don?t need)
Don?t need no serious to know jam
To make my motor run
(Motor run)
Give me a mix with phat dance
And baby I?ll come undone

Now I?m goin? wherever the rhythm takes me
I?m doin? whatever the rhythm makes me
I?m workin?, sweatin?
Soon I will be headin?
Wherever the rhythm takes me (baby)
Wherever the rhythm takes me, baby

Whoa ooh whoa ooh whoa ooh whoa

Hey Mister DJ
Don?t turn the volume down
I?m bobbin? on the bass
And all the funky sounds
Until the break of dawn
On and on and on
Never knowin? where I am found

I wish tonight would last forever
My body wants to move
Nothing in this world could be better
Than when I?m dancin? for you

REPEAT CHORUS TWICE

Whoa ooh whoa ooh whoa ooh whoa

Ooh baby
The rhythm
Takes me

I wish tonight would last forever
My body wants to move
Nothing in this world could be better
Than when I'm dancin' for you

REPEAT CHORUS TWICE

(Now I'm goin?)
Keep movin', keep movin', keep movin' baby
(I'm doin?)
Keep groovin', keep groovin', keep groovin' baby
(Workin', sweatin?)
Wherever the rhythm takes me (baby)
Wherever the rhythm takes me baby

Whoa ooh whoa ooh whoa ooh whoa (x4)
