Get up, get up, get up
Ooh, yea
Get up, get up, get up
Ooh, yea
Get up, get up, get up
Ooh, yea

You wanna be a star
Be a superstar
You can be the greatest
At who you are
Gotta reach for the stars
Baby, 'cause you're the one

Whoa, you can sit in the room
Staring at the paper on the wall
Don't be such a loser
Go out to the call
Life is short, but it's white
So you gotta have a solid plan
Everybody's waiting?
Now it's time you began
You can?

You wanna be a star
Be a superstar
You can be the greatest
At who you are
Gotta reach for the stars
Baby, 'cause you're the one
Show 'em who you are
Be a superstar
You can be the greatest
At who you are
You've got somethin' to say
Get up, and cease the day

Get up, get up, get up

Getting up can be tough
Even tough then the rowin' down

Brush it off like nothing
Then you take it to town
When your life is a film
And you gotta play the leading role
Take it to the limit
But hold on to your soul
Control?

REPEAT CHORUS

(Time is movin? without you)
So it goes, whatcha gonna do, yeah
(Hurry up before it?s through)
It?s your life, you know? to let go?

Uh-huh, uh-huh

REPEAT CHORUS TO FADE
