"Changeling"

Do not leave. Leave me weak. Do not leave me alone
with this loony they say is me.
A mooncalf - I am in panic, I am manic. A changeling.
Pinioned, crippled. I am, believe.
I can't come to terms with the terrestrials. I can't come
to terms with me.
A lifetime's worth of tears gathered up in me. I've been
on the verge of tears all my life. How can you be me?
I'm postponing my life again as so many times before.
Self-pity is my substitute for others mercy. Contempt is
my comfort.
