When He cometh, when He cometh To take up his
jewels All his jewels, precious jewels His Loved and His
own. Like the stars of the morning His bright crown
adorning They will shine in their beauty Bright jems for
his crown. He will gather, He will gather The jems for
His kingdom All the pure ones, all the bright ones His
loved and His own. Like the stars of the morning His
bright crown adorning They will shine in their beauty
Bright jems for his crown. Little children, little children
O love their Redeemer All the jewels, precious jewels
His loved and His own. Like the stars of the morning
His bright crown adorning They will shine in their
beauty Bright jems for his crown
