So lately, been wondering
Who will be there to take my place
When I'm gone you'll need love
To light the shadows on your face
If a great wave shall fall and fall upon us all
Then between the sand and stone
Could you make it on your own

CHORUS

If I could, then I would
I'd go wherever you will go
Way up high or down low
I'll go wherever you will go
And maybe, I'll find out
A way to make it back someday
Towards you, to guide you
Through the darkest of your days
If a great wave shall fall and fall upon us all
Then I hope there's someone out there
Who can bring me back to you

CHORUS

Run away with my heart
Run away with my hope
Run away with my love
I know now, just quite how
My life and love might still go on
In your heart, in your mind
I'll stay with you for all of time

CHORUS

If I could turn back time
I'll go wherever you will go
If I could make you mine
I'll go wherever you will go
I'll go wherever you will go
