Bubbles and water
Legs up for hours
My goldfish is under me
To bathe for hours
Makes my mouth water
Iâ€™m â€œfoamelyâ€ ecstatic

Itâ€™s not a problem
I lazy â€™round
Bubbly and stubborn
I lazy â€™round
Melon and water
Is just a dream
It makes me wonder
Is it a â€œsinâ€ ?

Bubbles and water
Legs up for hours
â€œBombsâ€, you keep away from me!
Today lying low
Twisting up my toes
I swim in such harmony
So what bothers me:

Chorus :
Iâ€™m fed up with loneliness
With my uncle overstressed
Fumbling, crawling for something
That never shows, just a dream.
Iâ€™m fed up with creeps crying
Over the past, such a sin
Not to be cool, but a fool
If I could mess up their rules.
Iâ€™m fed up with your complaints
Baby, well Iâ€™m not a saint!
Fed up with the rain, the planeâ€¦
That makes me throw up again.
Iâ€™m fed up with all cynics
Bathing caps and all critics
Iâ€™m fed up with being fed up! Poor me !

Bubbles and water

Legs up for hours
My goldfish still under me!
Delight of pleasures
Aquatic treasures
A place out of misery, my fantasy
