Looking for paradise
Is always on my mind
Morning light shining right
Sing me a lullaby

Oh! Baby come to me
Bring back simplicity
I'm here, you see
So why hang on to me
Just write me poetry
If you're okey dokey

Get up and start to smile, guy
Do it for me
Wake up, I'll come around man
Let's do "boogie-woogie"

[Chorus]

It's not even a game
Get over your pain
I'm not twenty
Not even ashamed
Could we celebrate

Cause' I'm not twenty
And life goes on and on
I go as I come
MÃfÃ©lodie de vie
I fly all alone
A light little stone
You get old at twenty
And I want to be free

Oh! Baby baby mine
You're always on my mind
Having fun is just fine
Your love, I shall deny

Falling for me, indeed
Is diving in someone's need
Love is too strong

I've fallen into me
And freedom's ecstasy
You can never go wrong
