me, my name is lolita
lo or well lola
it's all the same to me
me, my name is lolita
when i dream of the wolves
it's lola who bleeds
when i bite my tongue
I let out a crazy laughter
like a freak
my name is lolita
'Lo'of life, "Lo' of torrential loves

refrain:

it's not my fault
and when i give my tongue to the cats
i seen the others
ready to throw themselves onto me
this is not my fault
if i listen to everything around me
L.O.L.I.T.A.
me lolita

me, my name is lolita
a student with my stockings
the color of methylene blue
me, my name is lolita
hot tempered and not
half-cotton, half-wool
talkative and a mouth that doesn't tell
mom that i am a freak
my name is lolita
"Lo" of life, "Lo" of torrential loves

repeat refrain

lo-li-ta... lo-li-ta
lo-li-ta... lo-li-ta
lo-li-ta... lo-li-ta
lo-li-ta... lo-li-ta

repeat refrain
