There's a hope in my head that's been cut and bleed  
Dry as your bloodshot eyes  
And there's smoke in the air and it's soon to clear  
Revealin' our demise

There are some who say that it's a-okay  
If it makes you feel all right  
It's just way too bad now you're worse than sad  
All locked up there in side

And I don't know how you feel but I'll make you a deal  
If you'll make it out alive  
My shoulders and ears are all yours my dear  
I hope it comes as no surprise

You've been known to say that you're a-okay  
When you're feelin' sick inside  
I just want you to know, I got no place to go  
Until the day you die

While you're waitin', be thankful for your fingers  
I'll be fading with the colors of your pictures  
"I'm not cryin' wolf", you whisper  
"I'm really dead this time, I'm really dead this time"

There's a hope in my head that's been cut and bleed  
Dry as your bloodshot eyes  
And there's smoke in the air and it's soon to clear  
Revealin' our demise

You've been known to say that you're a-okay  
When you're feeling dead inside  
I just want you to know, I got no place to go  
Until the day you die

While you're waitin', be thankful for your fingers  
I'll be fading with the colors of your pictures  
"I'm not cryin' wolf", you whisper  
"I'm really dead this time, I'm really dead this time"

They locked you up, they threw away the key  
Sutstured your mouth shut, murdered your family

Right before your eyes, what could you do?  
Right before your eyes, they took it all from you

Contemplating, you hanging from your ceiling  
Can't help hating you for having that feeling  
I'm not jokin' when I tell you, I miss you all the time  
I already miss you all the time
