I'd like to dedicate this to all the children  
I have some food in my bag for you  
Not the edible food, the food you eat, no  
Perhaps some food for thought  
Since knowledge is infinite  
It has infinitely fell on me, so um...

It was a stormy night, you know the kind where the  
lightnin' strike  
And I was hangin' out with some my yatzhee friends  
oooh wee oooh wee oooh wee  
The night was long, the night went on, people coolin'  
out until the  
break of dawn  
Incense was burnin' so I'm feelin' right, aight

See I picks my friends like I pick my fruit  
My Ganny told me that when I was only a youth  
I don't walk around trying to be what I'm not  
I don't waste my time trying to get what you got  
I work at pleasin' me  
Cause I can't please you and that's why I do what I do  
My soul flies free like a willow tree  
doo wee doo wee doo wee

And if you don't want to be down with me, then you  
don't want to pick  
from my  
apple tree x3  
And if you don't want to be down, you just don't want to  
be down

I have a hoe  
And I take it everywhere I go  
Cause I'm plantin' seeds so I reaps what I sow, ya know,  
ya know  
On and on, and on and on my (?) keep's movin' like a  
rollin' stone  
I can't control the soul flowin' in me  
oooh wee oooh wee

See I picks my friends like I pick my fruit  
My Ganny told me that when I was only a youth  
I don't walk around trying to be what I'm not  
I don't waste my time trying to get what ya got  
I work at pleasin' me  
Cause I can't please you and that's why I do what I do  
My soul flies free like a willow tree  
doo wee doo wee doo wee

And if you don't want to be down with me, you don't  
want to pick from my  
apple tree x3  
And if you don't want to be down with me, you just  
don't want to be down  
Oh my my my my, oh my my my my, oh my my my my  
my my my

I picks my friends like I pick my fruit  
My Ganny told me that when I was only a youth  
I don't walk around trying to be what I'm not  
I don't waste my time trying to get what you got  
I work at pleasin' me  
Cause I can't please you, and thats why I do what I do  
My soul flies free like a willow tree  
doo wee doo wee doo wee

And if you don't want to be down with me, you don't  
want to pick from my  
apple tree  
And if you don't want to be down with me, dum dum  
diddy  
And if you don't want to be down with me, you don't  
want to pick from my  
apple tree  
And if you don't want to be down with me, you just  
don't want to be down  
You just don't want to be down,  
You just don't want to be down
