The world is so dramatic.....  
I can't believe  
that we're still livin'  
oh in this crazy crazy world  
that I'm still livin'

with all the problems of the day  
how can we go on  
so tired of hearing people say how can we go on

fantasy people  
make believe people  
how can you go on  
but you're still livin'

race relations, segregation, no occupation  
world inflation, demonstration, miseducation  
no celebration to celebrate your lives

listen people listen  
lift up your hearts to GOD  
lift up your soul  
teach your children Wisdom  
Reality today... so they can live tommorrow

I can't believe  
that we're still livin'  
oh in this crazy crazy world  
that I'm still livin'

with all the problems of the day  
how can we go on  
so tired of hearing people say  
how can I go on

fantasy people  
make believe people  
how can you go on  
but you're still livin'

listen people listen

lift up your hearts to GOD  
teach your children Wisdom  
Reality today...
