Warrior's prid in God's service  
My sword for the Almighty's voice  
Fighting and winning, I proved my faith  
Quickly my prayers disappeared  
Blackened by bones and flesh and blood  
To Hell my soul was quickly driven

Then my soul was set a seal on  
Forced to take the oath with Satan  
"Seek the Grail!", the cup of wonders  
To save my soul I had to find  
The divine cure for our world's pain  
Oh God my quest had to reach an aim!

I was not alone, got a friend by my side

From the land of damnation we came

Up to Heaven's gate we shall ride  
We may find an answer for all  
Now we won't be your slave at all  
Salvation, damnation:  
A game we won't play  
No more

I was not alone, got a friend by my side  
From the land of damnation we came

Up to Heaven's gate we shall ride  
We may find an answer for all  
Now we won't be your slave at all  
Salvation, damnation:  
A game we won't play  
No more!
