Your subtleties, they strangle me  
I can't explain myself at all  
And all the wants and all the needs  
All I don't want to need at all

The walls start breathing, my mind's unweaving  
Maybe it's best you leave me alone  
A weight is lifted on this evening  
I give the final blow

When darkness turns to light  
It ends tonight, it ends tonight

A falling star, at least I fall alone  
I can't explain what you can explain  
You're finding things that you didn't know  
I look at you with such disdain

The walls start breathing, my mind's unweaving  
Maybe it's best you leave me alone  
A weight is lifted on this evening  
I give the final blow

When darkness turns to light  
It ends tonight, it ends tonight  
Just a little insight won't make this right  
It's too late to fight, it ends tonight, it ends tonight

Now I'm on my own side  
It's better than being on your side

It's my fault when you're blind  
It's better that I see it through your eyes  
All these thoughts locked inside  
Now you're the first to know

When darkness turns to light  
It ends tonight, it ends tonight  
Just a little insight won't make this right  
It's too late to fight, it ends tonight

It ends when darkness turns to light

It ends tonight, it ends tonight  
Just a little insight won't make this right  
It's too late to fight, it ends tonight, it ends tonight

Tonight, inside  
When darkness turns to light  
It ends tonight
