Your subtleties  
They strangle me  
I can't explain myself at all.  
And all the wants  
And all the needs  
All I don't want to need at all.

The walls start breathing  
My mind's unweaving  
Maybe it's best you leave me alone.  
A weight is lifted  
On this evening  
I give the final blow.

When darkness turns to light,  
It ends tonight  
It ends tonight.

A falling star  
Least I fall alone.  
I can't explain what you can't explain.  
You're finding things that you didn't know  
I look at you with such disdain

The walls start breathing  
My mind's unweaving  
Maybe it's best you leave me alone.  
A weight is lifted  
On this evening  
I give the final blow.

When darkness turns to light  
It ends tonight,  
It ends tonight.  
Just a little insight  
Won't make this right  
It's too late to fight  
It ends tonight,  
It ends tonight.

Now I'm on my own side  
It's better than being on your side

It's my fault when your blind  
It's better than I see it through your eyes  
All these thoughts locked inside  
Now you're the first to know

When darkness turns to light,  
It ends tonight,  
It ends tonight.  
Just a little insight won't make this right,  
It's too late to fight,  
It ends tonight,  
It ends when darkness turns to light  
It ends tonight  
It ends tonight, just a little insight  
Won't make this right, it's too late to fight  
It ends tonight,  
It ends tonight,  
Tonight,  
Insight,  
When darkness turns to light it ends tonight
